Introducing the groundbreaking Nanuk 903 Broadhead Holder Customized Foam, revolutionizing how you carry and protect your arrows. This innovative foam insert is designed with versatility in mind, splitting into two sections to accommodate different arrow types.

The first half features rigid foam slots, perfectly tailored to fit up to 12 mechanical broadheads vertically, ensuring they stay securely in place even during rough transport. Meanwhile, the second half boasts a double-layered foam design, offering flexible storage up to 18 broadheads arrows laid side by side. This unique layout provides maximum adaptability, allowing you to organize and transport your arrows with ease, regardless of their type or size.
