Designed for firearm enthusiasts and demanding professionals, the all-new NANUK 994 sets a new benchmark in rifle protection. Crushproof, waterproof (IP67), and dustproof, this case keeps your gear safe in the most extreme conditions.

20% lighter than our standard case line, it offers enhanced portability without compromising on strength, durability, or peace of mind. The 994 retains all the certifications and quality standards that have made NANUK cases trusted worldwide — with a streamlined build made for action.

Built to move. Built to last. Whether you’re heading into the wild or transporting your firearm securely day to day, the 994 delivers the perfect balance of lightweight design, rugged performance, and absolute protection.
